RED WINE

Château Grand Renom Bordeaux, France, 2021 85 390

Grapes were very concentrated, with fine acidity preserved by the Chateau's clay-limestone soils. More pumping over and maceration made possible by the quality and quantity of tannins present in the wine. A woody ageing process supported the wine's tannic structure.

Grape: Merlot and Cabernet Franc

Trumpeter, Mendoza, Argentina, 2021 65 280

Has a dense, inky, violet color, aromatics highlight plums and cherries, with floral notes hints of spices such as cinnamon, cardamom and pepper. Lively structure, velvety tannins and a lingering finish.

Grape: Malbec

Artyzen Grand Lapa Private Label Herdade do Rocim, Alentejo, Portugal, 2022 60 260

With a deep and concentrated Ruby color, has firm tannins, an aroma of black fruit and well-integrated minerality. Complex, it has the perfect balance between acidity and freshness.
