Grand Coloane Resort Bubbly Bash Delivers a Splash-tacular Summer Celebration of Local Powers

Macau, 26 August 2024 - The Grand Coloane Resort transformed into a sun-soaked, foam-filled oasis on 24 August as it hosted the highly anticipated Bubbly Bash—the coolest foam pool party on the island. This 15-hour extravaganza lived up to its billing, delivering an unforgettable day of community celebration, fun, and entertainment.

The festivities kicked off with the pool party at 11 am, and from then on, the resort's pool area was a hub of excitement as partygoers of all ages dove into the sudsy foam and immersed themselves in a range of activities. DJ Luna set the vibe with her electrifying performance in the afternoon, keeping the energy high.

Simultaneously, the Mermaid Experience made its first splash at 3 pm. Conducted by All Blue Diving at the resort's outdoor swimming pool, this unique activity allowed guests to try swimming like a mermaid, providing them with a chance to live out their aquatic fantasies in a safe, supervised environment. It was a hit, offering guests not only the joy of the experience but also the opportunity to capture stunning, memorable photos.

Following closely, the Stand-up Paddleboard (SUP) Workshop, organized by the Baía do Mar Canoeing Club, allowed guests to learn and experience stand-up paddle-boarding in the calm, inviting waters of the resort's pool. This workshop provided an ideal setting for beginners, offering a safer and more relaxed environment than the ocean, ensuring everyone could enjoy the sport at their own pace.

As the day transitioned into evening, the event's momentum peaked with two standout attractions. The first was the enchanting Choreographed Mermaid Performance, conducted in three unique sessions throughout the evening. Each performance, themed and styled differently, saw mermaids reeling and diving gracefully into the pool, captivating the audience with their beauty and artistry.

Complementing this was the poolside fashion show, a highlight of the night that featured the latest swimwear and resort wear collection by local design brand Alta Bella, led by designer Bella Horner, showcased its upcoming collection, transforming the poolside into a vibrant, dynamic runway that added an extra touch of glamour and excitement to the evening.

As guests soaked in these visual delights, the International Specialties BBQ Dinner Buffet began, featuring a sumptuous array of dishes paired with free-flow beers and drinks. The poolside atmosphere was further elevated by the MoJo Band's live entertainment, who kept the energy

buzzing and the spirits soaring throughout the dinner. Their electrifying performance ensured the fun was endless, making the night unforgettable for everyone.

As night fell, the party showed no signs of slowing down. The pool area was transformed into a lively dance floor as a lineup of DJs took over from 10 pm until 2 am, ensuring the celebration continued into the early hours.

"The Bubbly Bash was an incredible success, far surpassing our expectations," said Christian Buggelsheim, General Manager of Grand Coloane Resort. "Seeing the local community come together in such a vibrant and joyful way was truly heartwarming. This event reaffirmed our commitment to offering an exceptional island lifestyle experience by showing unyielding support to local talented professionals, and we're already looking forward to hosting an even bigger and better Bubbly Bash next year."

Overall, Bubbly Bash was a resounding triumph, providing guests with an unforgettable experience that combined fun, entertainment, and a strong sense of community to bid farewell to summer holidays. The Grand Coloane Resort's commitment to delivering exceptional experiences has once again shone through, cementing its reputation as a premier destination for locals and visitors alike.
