As well as the fine wines, rums and brandies of the day, Vasco discovered the richness and complexity of coffee throughout his voyages. We celebrate his journey again here with invigorating coffee cups which will entice and excite as we follow his footsteps in his voyage of discovery.

除了名酒，朗姆酒和白蘭地外，華士古·達伽馬在其旅途中亦探索到咖啡帶來的豐富口感。就讓我們跟隨其旅程，以咖啡向這位探險家致敬。
